SUBJ: Carbon Forged Steel Fittings L-140
Carbon Forged Steel Unions LU-140
Carbon Forged Steel Branch Connections CS-200
WFI Carbon Forged Steel Branch Connections WFI-40

Effective January 1, 2019, the following price increases will be effective:

- Carbon Forged Steel Fittings L-140. This is a weighted average increase of 15% over Price Schedule L-139.
- Carbon Forged Steel Unions LU-140. This is a weighted average increase of 15% over Price Schedule LU-139.
- Carbon Forged Steel Branch Connections CS-200. This is a weighted average increase of 12.5% over Price Schedule CS-199.
- WFI Forged Carbon Steel Branch Connections WFI-40. This is a weighted average increase of 12.5% over Price Schedule WFI-39.

This increase is precipitated by rising raw material and overall operating costs. Should these costs continue to escalate, we will be required to further adjust our prices accordingly.

Price Sheets may be downloaded directly from our websites (www.bonneyforge.com) and (www.wfi-intl.com) in the next few weeks.

All other related terms and conditions remain unchanged.

Once again, thank you for your continued support on all Bonney Forge and WFI product lines.
